

UNSCENTED

ODOUR NEUTRALISER FOR HEALTH CARE

ECOCLINIC

ECOLOGICAL ODOUR NEUTRALISER

EcoClinic is an environmentally friendly odour neutralizer based on natural enzymes. With this `air refresher` odours disappear when they physically encounter these complex protein systems, because they are catalyzed in non-smelly, harmless and simpler molecules. What's more, EcoClinic is non perfumed so there are no traces of any chemical substances. EcoClinic is suitable for eliminating the odour of faeces, vomit, burns and other bodily wounds, medical appliances, rooms, carpets, linen, nappies.

INSTRUCTIONS FOR USE

Remove the source of the smell if possible. Pump the top several times to build up pressure. Remove top, spray liberally around the room.

ICON EXPLANATION

Pump the top several times to build up.

COMPOSITION

Complex of organic vegetable enzymes. Surface active substances derived from grains, citric acid, fermented carbohydrates CPC.
