

UNSCENTED

FOR REMOVING UNPLEASANT SWEAT SMELLS

## ECOFEET

DEODORIZER OF SWEAT SMELLS

EcoFeet is a bio-spray which removes unpleasant sweat odours. EcoFeet breaks down the odour molecules in a natural way, making the smell disappear instead of cover it up. EcoFeet is excellent for use in shoes or even directly on the feet, but can also be used on other articles of clothing and/or body parts. EcoFeet is not toxic, bacteria-free, biodegradable, does not irritate and does not cause allergic reactions. EcoFeet is completely safe for humans, animals and the environment.

### INSTRUCTIONS FOR USE

Spray generously in space and/or directly on the source. If any odour remains, repeat treatment.

### COMPOSITION

Water, complex of organic vegetable enzymes, surface activated substances derived from grains, citric acid, fermented carbohydrates, CPC

### ICON EXPLANATION

This packaging contains refill.

All our products feature this icon. Our products are 100% environmentally friendly and biodegradable.

#### TYPE OF PACKAGING

300 ML SPRAY BOTTLE ..... 12.20.028
