

UF2000

POWERFUL URINE ODOUR REMOVER

Suitable for use on different surfaces: wood, stone, joints, enamel, plastic, painted surfaces, textiles and leather e.g. lounge suites and carpets. For use on textiles or leather: for colour fastness and permanency, pre-test in an inconspicuous place.

INSTRUCTIONS FOR USE

If possible, remove source of odour first.
Spray UF2000 generously on the soiled area.
Ensure UF2000 is applied to the entire urine-affected area for total odour neutralisation. If any odour remains, repeat treatment. Treat old urine spots several times.

COMPOSITION

Complex of organic vegetable enzymes.
Surface activated substances derived from grains.
Vegetable extracts, fermentative and preservative.

ICON EXPLANATION

Turn the nozzle a quarter turn to the left to open. Squeeze the trigger handle backwards. Turn the nozzle a quarter turn to the right to close.

This packaging contains refill (concentrate) which allows you to create the right amount.
First read the instructions on the label carefully!
