

--

This Ecodor product allows you to clean your pet's coat without water and can be used on dogs, cats and rodents.

WonderClean coat cleaner is based on harmless vegetable protein which removes unpleasant odours and dirt from your pet's coat.

WonderClean coat cleaner is non-irritating, hypo-allergenic and leaves your pet's coat clean and shiny.

Instructions for use:

- Remove cap and spray foam on your hand;
- Abundantly rub your pet;
- Leave to work 1 to 2 minutes (do not rinse);
- Rub clean with a dry towel;
- Comb and brush.

Store at room temperature. Does not leave stains. Does not contain propellant. Packaging can be recycled.
