

Powerful floor cleaner, cleans & deodorises.
Eliminates urine odour from dogs, cats and rodents.

This powerful environmentally friendly floor cleaner effectively removes unwanted odours and leaves a shiny, streak-free finish. This product is ideal to easily clean and freshen the whole floor especially in households with pets.

You'll notice the results even after a few minutes. Your floor will be shiny clean, with no trace of the unwanted odours. (e.g. Urine, Vomit etc).

Directions:
Prepare a mixture by adding two capfuls EcoFloor to a bucket of warm water and mop the floor as usual. For real problem areas on the floor (e.g. if a pet always chooses the same spot to urinate), we recommend to first use Ecodor UF2000 to specifically take any lingering smell away. Then you can clean the entire floor with EcoFloor.
EcoFloor cleans & deodorises!
EcoFloor contains harmless substances which penetrate odours directly, and quickly dissolves and cleans them. It is 100% safe in the immediate proximity of people, animals and food. Floor types include: parquet, laminate, gravel floor, concrete, tiles, linoleum, etc.
